Subject: FYI; Anti-Castro activities
Just thought I'd let you know what I found out today on these two individuals we discussed in the anti-Castro additional request. Dr. Ernesto Aragon is based in New York and was the Secretary to Dr. Jose Miro Cardona who was the head of the Cuban Revolutionary Council. All I found on Malone is that he was friends with Alberto Hechavarria(a contact man for Anti-Castro officials preparing for an invasion before the Bay of Pigs). This was just from a quick check of a few documents. I recommend requesting a search on these individuals and will include it in my additional request memo.
