Subject: FOIA Files and Photographic Authentication
Dear Paul, Thanks for your message. We have been working on FOIA files for some time. The e-mail message that I am forwarding below comes close to being the final fruit. You would not believe how much time and effort it took to finally get DOJ to transfer its files. Separate work is being done on FBI FOIA files. With regard to your other suggestion, given the time, cost, and complications, it is something that we practically cannot handle. Best, Jeremy

In addition, he has retrieved and plans to send to the JFK Collection certain additional FOIA files that we had later identified (in our March 6, 1998 letter to Mr. Kovakas). Don't forget to compose individual Action Item documents for any action items that resulted from the call!
