Subject: Indigo Films documentary
Dear Jack and Kermit:Nan Waffen has indicated that she would like to interview both of you for the documentary. Because the documentary will only be one hour long, including commercials, she must limit her interviews to two Board members. She will be in the office on June 4 to shoot footage of the open meeting. She would like to interview both of you on that day if possible.Please let Jeremy and me know if you would like to participate, and if so, if you are available at or around 5:00pm on Thursday June 4. Nan Waffen has indicated that Indigo Films is flexible about the time and location of interviews, but that she is facing a deadline.FYI -- Ms. Waffen heard about the upcoming (no date confirmed as of yet) transfer of Garrison records from New Orleans to the Review Board, and she plans to film the transfer and use this footage in the documentary.Sincerely,Eileen
