Subject: Job Hunting
It has come to my attention that you have a problem with my involvement with your job search. I did offer to help you in your job hunting--an offer I also made to everyone else in the office. This note is my assurance to you that I will have no further involvement--positive or negative--in your search. I have taken no steps that would hurt your chances in any way. Any presumption that I have taken such steps is unfounded and unwarranted.
