Subject: Informant issue

I left the folder on the outstanding Veciana informant on the ARRB table in the back room. Margaret said that as of this morning Luanne did not know of them contacting him. Let me know if you have any questions on anything. I also left a document that was on my desk since I've sat there. I was hoping you would know what it is and what to do with it. I turned over my notes on the unfinished HSCA admin file project to Sarah. We are waiting for Luanne to help us locate the missing files before we can finish it up.
