**Subject:** Re: Research request

Bob, is it possible you might be able to help me with a research request. One of my former undergrad professors is seeking info related to Congressional Subcommittees and CIA, obviously oversight. As a favor, since I am dealing with documents during the time period around the JFK assassination, he asked me to look for any info I could find, especially if it includes Senators Russell, Saltonsall, Stennis etc., and Representatives Cannon, Mahon, Vinson. Any help you could give me, at least pointing me in the right direction would be greatly appreciated. P.S. the desk will be clean tomorrow morning! They would have the most info/knowledge about those areas. Good luck.To: Eileen Sullivan/ARRBcc: From: Andrew Funk/ARRB Date: 06/15/98 10:25:45 AMSubject: Research requestEileen, one of my professors from undergrad, with whom I've become pretty good friends with, asked me if I might be able to furnish him with some information re: Congressional subcommittees and CIA from the early 60's onward. Is there anything we, I, can do? Thanks, Andrew
