Subject: Perceptions of the American Public
Jeremy asked me to thank you for your work re: the American public's opinion on the government. He is planning to send your memo to Joe Freeman, who will be drafting Chapter 1 of the Final Report, so that Joe can use your research in his chapter. Jeremy also asked me to remind you that he is interested in the same type of research re: the American public's opinion on the Kennedy assassination. He will be out of the office tomorrow, but back on Wednesday.
