**Subject:** Short Meeting

At a time of YOUR convenience today, can you and Andrew meet with me in the SCIF and show me, hands on, where we stand on the copying projects for Navy and Air Force referrals--and if not finished yet, give me your plan of action and best estimate of completion date for this project?I have a deadline fast approaching (July 1) for completion of all Military referral actions, and even if I do not meet this deadline, I will have to provide as realistic estimate that I can hold myself to.Thanks. (By the way--my own delays have been the problem--that is acknowledged.) END
