**Subject:** Nobleville interns/FBI documents  
For the Burton letter Jeremy would like to say something about the N.V. interns and their work with the FBI records. Is it accurate to say that they helped process for transfer to the Archives 88 boxes (Laura: is that the number you gave me today?) To the extent that it is possible, Jeremy would like to attach a meaningful number (documents, pages) to this section. You can let me or Jeremy know if you have this information, or can reasonably get it. thanks!
