Body: I've just realized that I don't have an actual copy of the JFK Act among all the legislative history stuff folks have kindly sent me. I will ask someone to remedy that but, in the meantime, can you tell me if the section of the JFK Act which requires the final report to be submitted to Congress and the President is the same as that cited in the FY 96 Report for the annual report (that is, Section 9(f))?Also, how do I get the keyboard to print me one of those neat squiggly symbols for "Section" that you lawyers like so much?Muchas gracias!
