Subject: request for an interview with Time Magazine
Dear Jack:Alan Sanders, a reporter for Time Magazine, called to request a 10-15 minute telephone interview with you on Friday. He said he would like to discuss the Review Board in general, and that he will briefly touch on the Zapruder film issue. This will not be a full-length article, rather a brief piece that will appear at the beginning of the magazine.I talked to Debbie about this, and told her I would also e-mail you about it. Please let me know how you would like to proceed. Thanks, Jack.Eileen
