Subject: Letter of recommendation
Ron -- I think I told you at some point that this is my last year at Wellesley and I will be lookingfor a full-time job as a legal assistant from September. I need some record of my work here,especially since everything is closing down in two months. I realize you are not aware of whattypes of projects I have worked on, but I would be grateful if you could provide a character reference for me. If you have any questions, please don't hesitate to ask me.Thanks again, Nabeena (This is the correct spelling!)
