Subject: my info
voicemail password: 1871computer login: bransonAlso, forgot to mention in my last e-mail, all of my electronic files are in either g:\public or g:\press\press98. Everything is saved with an obvious name. Something about BriLab is saved as brilab.wpd or something like that.As you may notice, my office is a little messy, so I wouldn't attempt to find anything in there.Bye! I'll call you!
