Subject: Dr. McClelland

I called his secretary, Barbara McKinney, on Monday and she did not return my call. I called her again Tuesday and she said that she had not returned my phone call because she had not been able to talk to McClelland about it yet. She asked me some questions I could not answer, such as whether he would need to spend the night here, how long the deposition would take, etc. I said I would ask you questions and she could ask the Dr. and maybe find out you and the Dr. had already discussed some of the details, and then maybe she and I both would know more what we are talking about. I checked with SATO about flights that he might be able to take that would not require overnight stay. I got the following info so far: Leave Dallas: 6:15 a.m. Arrive National: 10:03 a.m. 8:02 a.m. 12:03 p.m. Leave National: 3:46 p.m. Arrive Dallas: 5:58 p.m. 5:21 7:36 5:27 7:42 7:06
