Subject: Kinko's

Body: Cathy, could you please call Kinko's and have them come get the originals for another order. I have the info on my desk, I'll explain. Apparently they were supposed to set up the docs in the the "docutech" so that they didn't need to be scanned in again. When I called yesterday they said that they weren't there. Do you know who you dealt with last week? Maybe it's worth another call this morning to make sure. Thanks.
