AMSubject: Sick leaveWhen I submitted my planned leave days to aura some questions arose over taking a whole day of sick leave for a doctor's visit. I have a doctors visit in Loudoun County the Wednesday before Thanksgiving and was planning on taking a half day. I have a dentist appointment the Friday after Thanksgiving , also in Loudoun. I was planning on taking a half day on Wednesday because the appointment is late and a whole day on Friday since the appointment is in the early afternoon. Can I take a whole day of sick leave for the Friday or do I need to take a half day of sick leave and a day of vacation leave?
