**Body:** To: Tom Samoluk/ARRBcc: Thom Wilborn/ARRB, Eileen Sullivan/ARRB (bcc: Non-Record/ARRB)From: Eric Scheinkopf/ARRB Date: 04/14/97 10:42:57 AMSubject: Rankin PapersI have looked through most of the first seven boxes of the Rankin papers. I copied off certain documents that I thought would be of interest to you and have given copies of these to Eileen and Thom as I will do throughout this process. The best thing to look at to see what you might want is the Folder list that one of Steve Tilley's people put together. Also enclosed is a list of what the classified material is. Among the materials I am "FedExing" you are letters from McCloy to Rankin, a letter from Gerald Ford to Rankin, remarks by Allen Dulles, and a welcome memorandum from Rankin to the staff at the start of the Commission's work. A July 1964 outline of is also enclosed.
