**Subject:** Notes for next week  
I know you are too busy even to think about answering this today. Wait and read it next week. The 10.4.1 file on the final report that is in the bottom drawer of the cabinet in Jack's office needs the copies of the public comments re the final report. If you will give those to me, I will make a folder and add it to the file plan. If you don't have these all in one file, I can try to glean them from the copies you sent in Board Communications, but it would be easier just to transfer your file to 10.4.1. Also, a reminder for the press releases for the reading room notebook. Thanks.
