**Subject:** Usher Logs

To: Jeremy Gunn/ARRBcc: Kim Herd/ARRB, Ron Haron/ARRB (bcc: Non-Record/ARRB)From: Irene Marr/ARRBDate: 05/01/98 03:40:40 PMSubject: Usher LogsI just spoke with Rex Scouten, one of JB West's assistants. He was quite cordial and didn't treat me like I was a telemarketer of any sort. He explained that the usher logs were considered private, informal records intended for the family. They kept track of the comings and goings within the residence and did not cover activities in the west wing at all which fits with what Kim and Ron already found out. Normally these records go to the First Lady. He remembers discussing this with J.B. West. He is 99% certain that these logs books were given to Jackie. He was not aware of any reason why they would not have been turned over to the president's wife. He did not believe Evelyn Lincoln would have had anything to do with them. He suggested I also call Mary Gallagher and gave me her number. She was not at home, but I left a message with her husband and will try her again.
