To: Cathy Rodriguez/ARRBcc: Chet Rhodes/ARRB (bcc: Non-Record/ARRB)From: Irene Marr/ARRB Date: 02/11/98 03:45:55 PMSubject: No-name MeetingIn case you needed information for the electronic database section of the NO NAME status report, here is the latest on the DOS electronic data:Chet determined that the State diskettes we have do not contain updated data.I asked Steve Tilley to provide us copies of all State data diskettes that were given to NARA.Copies of these diskettes were sent to me and I turned them over to Chet on 2/6.Chet will be creating a new database in our network using the disks provided by NARA, and then I can check that information against my own records to ensure everything is up to date.
