Subject: post PFIAB
The major needs for the remainder of this week are (1) to finish the NSA documents and (2) to work on the Church Committee material. NSA just requires processing and the Board will vote them on Sept 14th. The Church Committee transcripts also need processing only and Ron hopes to have them ready for the 14th also. Do you have a guesstimate on whether both of these projects can be completed this week? The NSA material has priority but it would be great if both of the projects could be finished.
