**Subject:** CIA Visit  
To: David Marwell/ARRB, Jeremy Gunn/ARRBcc: (bcc: Non-Record/ARRB)From: Michelle Combs/ARRB Date: 12/11/96 11:12:06 AMSubject: CIA VisitBarry would not let me look at the 4 additional Russ Holmes boxes. He said they were in several pieces on people's desks and that no inventory of them exists. In his opinion the boxes were created when Russ Holmes emptied his file drawers upon his departure. They were sent to HRG because they contain the records of original FOIA requests. In addition, the boxes contain some of Holmes' personal career papers, and the occassional FBI report or CIA document stuffed down between some file folders. He plans to bring the boxes here tomorrow. Barry also said that our chances of getting Holmes' clearances were 50/50. Barry will be here between 1 and 2 this afternoon if you need to speak with him. He is feeling very put upon by ARRB today.
