Subject: NSA courier coming
Tomorrow, Wednesday 16 Sep 98 there will be a courier coming here to pick up docs from the safe to take to NSA. I already have the stuff double wrapped and it has Lee Schroyers name printed on the outer envelope. The envelope is in the top drawer of the safe. The courier will come anytime between 830 and 11 am. In case I am not here when he comes, would one of you please give the envelope to the courier? Thanks very much,
