Subject: Quotes/Illustrations
In chapter 6, Section D Records of Senior Agency Officials, 4. (U.S. Military and/or Department of Defense), do you have any quotes or sample docs? I assume you wrote this section, but in any case I thought it might be nice to have a sample to accompany. "The Review Board uncovered an affidavit that Taylor provided to McNamara . . that ONI never utilized LHO as informant." Maybe that's not appropriate, so I'd welcome any other suggestions. Even something from an ONI memo.
