To: Ron Haron/ARRBcc: (bcc: Non-Record/ARRB)From: Irene Marr/ARRB Date: 07/22/97 02:04:05 PMSubject: Marita LorenzThe following is an explanation for why we are requesting her file:The HSCA took an interest in Marita Lorenz during its investigation of Kennedy's assassination. Lorenz claims to have been unwittingly involved in an assassination plot by some anti-Castro elements with CIA connections. She also has talked about having witnessed a secret meeting that took place in Dallas a month before the assassination. In addition to doing some work for CIA agent Frank Sturgis, she claims she was an informant for the FBI, Customs and DEA.
