**Subject:** Underwood File  
To: Jeremy Gunn/ARRBcc: (bcc: Non-Record/ARRB)From: Irene Marr/ARRB Date: 07/16/97 01:50:00  
PMSubject: Underwood Filearrived from St. Louis. It's in the SCIF in my cubicle at the end of the first row of shelves, )near rest of CIA team's individual cubes.) I took a quick look. Not that interesting except for some of the people he used as references which are marked with yellow post-its.
