**Subject:** In search of files  
Sorry about this, but until I get a system set up for checking out files, this is how I will have to locate them. I found the State Dept. file I was looking for. Now I am in search of the FBI agent Barrett file and the FBI Investigation of the Assassination file. Please let me know if you have either of these or if you know of their existence because at this point I'm not sure if those two files exist. Thanks again.
