Subject: Re: Staff Notes, Issue 3; Scheduled for Friday, February 3rd
Re suggested items (you've probably thought of all of these) -- our evolving database capability, the Washington Lawyer article, update on clearances and new staff, office space construction, pending Federal Register publication of proposed guidance (I'm hoping this week it will be out; it depends on if the FR people require format changes), your planning re Boston,etc. I'll let you know if I think of anything else; let me know if you want me to draft anything.
