**Subject:** Re: GSA Office in Boston

Thank you for your prompt response. Although I worry with every day passing that we may run into a facilities problem in Boston, perhaps we will know more tomorrow about what Jack wants to do, assuming he responds to David. Let's pursue on Friday. If we have no specifics, maybe we can make general inquiries about the available rooms in the federal buildings for March 23 or 24 which could accomodate the general set up in Dallas (public hearing with Board table at front, witness table, 75 in audience, room for media, media accessible, etc.)
