Subject: Re: Top Twelve List of Things I Miss About the "Nerd Center" (In No Particular Order)
I concur with all submitted (though I must recuse myself on the telephone volume issue -- mea culpa!) My addenda of not-quite-12 things I miss:1. Old-fashioned "voice mail" (especially from the opposite end of the room).2. Non-verbal commentary via "The Look" (especially the trademark Samoluk-raised eyebrow glance).3. Communal M&M breaks (only 2 at a time, though)4. Group computer trouble-shooting (and hearing the "ding" -- or is it "dong") when David's computer refuses to respond.5. Being cornered or trying to talk on the phone during the vacuuming flurries of the cleaning ladies.6. Watching Tracy or Val's reaction when our friend Alan S. would perch on their desks.7. Watching everyone else try not to laugh out loud during No. 6.8. Seeing what new fast food Chet brings in for a snack.9. Trying not to trip over the coiled wires carpeting the floor.10. Learning many small details about co-workers childhoods that may come in very useful later. Cool. Duh. Doy.
