Subject: Re: Ethics materials
What ever happened to this? Did we order the publications or does this still need to be done?

PMSubject: Ethics materials
There are three publications that I would like to get copies of for the staff for ethics training purposes. I got a few copies from our desk officer at OGE, but she told me that for more we need to go to GPO. I've got the names and form numbers; we should talk about how many of each to get and find out how much it will be. Thanks!
