Subject: Re: Lexis/Nexis Appointment for Friday, April 14th
You should keep the appointment if you want to; it's up to you. Since I haven't been using the system, I don't know when I'd be ready for the guy to come back in. David or Chet are supposed to get me on line soon.

And do you want to spend some time on my machine using it? I thought Chet was going to hook up another modem or some sort of server (or whatever they say in computer land), but if he doesnt you certainly should take advantage of it while we can do it for free too. Just let me know -- I can always work at another computer.
