Subject: Re: Happy Hour

I like your idea for an ARRB Happy Hour . I'll be there with you all in spirit. My Friday evenings, at least for the foreseeable future (however long that is) are spent driving to NJ. If I find I'll be in town some Friday evening I'd like to join the group.

PMSubject: Happy HourHear ye, Hear ye....Valerie, Eileen and I, the self-appointed "happy hour committee", have determined that the inaugural ARRB happy hour shall be this Friday, April 21, immediately after work (around 5:00 or 5:30). We are accepting suggestions for locations... although I think the Insect Club is out. Anyone with ideas is encouraged to submit them, and even to apply for membership in the "HH Committee".
