Subject: Re: Mark Allen
He didn't really say, though I asked. He had called awhile back wanting to discuss documents in which he is interested, and asked if he could meet with me. As we were on the verge of going to Boston, I told him to call back, so I guess this is the followup. Do you have any ideas re what he might want to talk about? Are we now a SCIF, so that we should meet in the public area?
