Subject: Re: My FBI de-briefing
I'm checking into what happened. However, this has nothing to do with the pieces that we are waiting for from your background check.

Subject: My FBI de-briefing
Have we (you) heard any more about my being debriefed by the FBI in order to be read out of my military unit? Is it possible that this oversight (not getting debriefed) could be what's holding up my clearance?? I would like to get it done in any case, preferably sooner than later. If we're waiting on the FBI, is there any way that I can initiate it, or dig my spurs into their quarters, so to speak, in order to expedite this whole thing? Thanks a million.
