Subject: Re: New Orleans Telephone Directories
Yes thanks. Admittedly I'm looking for a real low cost way to get directories until I can obtain them through other sources. Laura suggested the library which I may use for now.

You probably know this, but there is at least one (probably more) companies that sell phone directories throughout the US on CD-ROM, I've heard at a relatively low price. I know someone who used to work at such a firm -- I can get more details for you if you like.
