I am not sure exactly what you are asking for. I have put on your desk RIFs for 6 documents discussing films and photos that are dated 3/31/78. I don't know which, if any, is of interest. Some analysts will be at the Archives today and can make copies if you would like. You might want to consider going to Archives II and examining HSCA boxes 131 and 132.

**Body:** According to Jim DiEugenio this memo concerns tape recordings and a movie film somehow related to Garrison's investigation. Where may I read the memo?
