**Subject:** Re: Long distance phone calls

We have ordered calling cards, one of which is for you. In the meantime, you can bring in your phone bills and we can reimburse you for business calls. To: Tracy Shycoff/ARRBcc: David Marwell/ARRB From: Anne Buttimer/ARRB Date: 05/01/95 10:52:02 AM Subject: Long distance phone calls I have to interview someone tonight by telephone who lives in California. I can't reach him until 8:00 pm EDT so I'll call him from home. I expect this or a similiar situation will arise from time to time (the need to call people nights and weekends). Does the office have a telephone credit card I can use, or is there another system for reimbursement?
