Subject: Re: Happy Hour

I never gave it a second thought, but I do appreciate your comments. I'd like to know where you'll meet tomorrow evening (hopefully this horrible poison ivy will have cleared up by then and I'll feel more like being seen in public) although I must tell you that the strongest thing I drink (other than a lot of coffee) is Diet Coke with lemon.

AMSubject: Happy HourI'm sorry if my comments at the staff meeting put you on the spot. Of course, we'd welcome you to the HH, but no one expects you to attend just for the sake of attending, and we DID have several reasons for switching this one to Thursday, so please, don't feel obligated.
