Subject: Re: HI!

Both went very well. I tried to read a HSCA hearing transcript which turned out to still be on referral from the CIA, but was able to read another doc. Steve was great. I'm going back a week from Monday to read more information. Jim Lesar was also very gracious and had some great ideas about where to seek records. I'd like to have dinner with you sometime in the next couple of weeks if you're free. I can make it next Mon/Tues/Wed eve or Mon-Thurs the week after. Let me know.
