**Subject:** Re: You are in luck.

**Body:** This is very good and I appreciate your initiative. To: A&Rcc: F From: Noelle Gray/ARRB Date: 05/25/95 09:34:58 AM Subject: You are in luck. 1. I now know how to "launch" from E-mail. This is a benefit to you because now you can attach your "Jeremy Approved" outgoing correspondence to an E-mail message (to me) and from there I will take care of the following: printing it out, getting the proper signature(s), making the appropriate number of copies, and finally mailing the letter. I hope this helps to make your life a little easier! However if you have enclosures you will have to get out of your chair to bring them to my desk. 2. You now have access to the most updated fileplan listing. In WordPerfect in r:\fileplan there are two subdirectories - subjects and outline. Outline is an outline of the entire fileplan. Subjects is a listing of POTENTIAL subjects for the 4.0.2 file. This will give you the latest information and at the same time save trees. Thanks.
