**Subject:** Re: "Camelot"

I would like to see a copy on Wednesday. Still trading calls with White House and Kerrey. I will give you an update later today. The radio interview went okay -- Victoria Jones only wanted to hear about juicy details that have not been released yet, so she was probably disappointed that I was not providing her with the good stuff. Did anyone hear Mailer?JRTTo:ALLcc:From:David Marwell/ARRB Date:05/30/95 03:31:29  
PMSubject:Re: "Camelot" We have just received the release package of the "Camelot" papers from the Theodore White Papers at the JFK Library. I will give Eric a copy for the library.
