Subject: Re: Race Packets

This whole e-mail thing is getting too complicated. Let's meet in the office today or tomorrow sometime (I guess without Tom - we'll inform him of the majority vote when he returns) and work out the logistics. But, yes, 7:50-8:00 sounds like a good meeting time and pre-race pictures are a great idea! I can bring a camera if you want to get some before and after photos. I am not too familiar with the Harbour area, but maybe we can meet at the race packet pick up spot, if it is not too crowded. My girlfriend will be coming with me, so she can hold on to any items (eg sweatshirts and the like) while we run (I haven't asked her yet, but I am sure she won't mind). We may also want to coordinate rides to and from the race, since the Harbour is not very close to the metro stop (will they have a shuttle from metro?). Any ideas?
