Subject: Re: Overdue books from the Library of Congress
I've checked my book shelf and my memory. I think one of the books you got for me," Deadly Secrets" is or will soon be overdue (I think it was due 5/26.) Chris took the book several weeks ago when I realized I wouldn't have a chance to read it for a while. He should still have it if he hasn't given it back to you. You may return it when he is done with it as I skimmed it and have the info. I need from it.

There is no immediate rush to return them but I would like to do so if any of the books are not needed.
