Subject: Re: The party

I suspect that I will need a ride, and I am hoping that I can have someone pick me up from Jeremy's so that I won't need to get a ride back to Alexandria.If I can't get someone to pick me up, I will either drive myself or I will catch a ride with someone who is either heading down 395 toward D.C. (I live right off of 395 at Shirlington) or with someone who is dropping people off at the Metro.

Okay, gang, the big show is two days away. E-mail me: who needs rides? I'm going to begin making arrangements for rides to Jeremy's Friday, and I need to know who's riding. IF YOU DO NOT E-MAIL ME I WILL NOT KNOW YOU NEED A RIDE, AND I WILL NOT ASSIGN A DRIVER TO YOU. THE CHANCES ARE, THEN, THAT THE CARS WOULD FILL UP WITHOUT YOU. There... have I emphasized that enough? Again, we have four drivers, plus Jeremy for the trip out there.
