Subject: Re: James Nichols

I have now heard the NPR version, which we shouldn't pay for. Try calling the local offices, and see if they will fax their stories. Otherwise, let's have a summer intern go to the LOC. To: Jeremy Gunn/ARRBcc: Kevin Tiernan/ARRB Date: 06/14/95 12:46:58 PM Subject: James Nichols G.W. does not receive the Detroit News or the Detroit Free Press. Nor do any of the local shops that carry out of town newspapers. The James Nichols story, however was picked up by the Philadelphia Inquirer and the USA Today. Neither of which goes into enough detail to for our purposes. I have not tried the LC, although I am sure that we could get it there. Both the Detroit News and the Detroit Free Press have phone numbers here in D.C., and may be willing to give us copies of the documents themselves. NPR transcripts are \$11.50 per show.
