Subject: Re: Dr. John Nichols
this is great - keep it coming. To: Anne Buttimer/ARRBcc: Jeremy Gunn/ARRB From: Joseph Freeman/ARRB
Date: 06/14/95 04:19:24 PMSubject: Dr. John NicholsSee the attached letter from HSCA files. Dr. Nichols
was a prosecution witness at the Shaw trial and published a paper (which I've not read) on Gov. Connolly's
wounds in the Maryland State Medical Journal. Andy Purdy's letter suggests Dr. Nichols has materials/reports
which may possibly belong in the collection. From a quick database search, it looks as Nichols has also been
involved in some litigation to try and access autopsy materials, etc. For what it's worth (I'm not looking for
these things, they just keep popping up...).
