Subject: Re: a request in rhyme

Phil, this was so good I had to share it! The coffee folks were supposed to bring by an emergency shipment of coffee this past Friday. Then they called and said Monday. Today is our regular delivery day so I am positive we will get some today, and I will call and give them hell about not showing up with the order sooner as promised. Sorry for the caffeine-deprived headaches that you've all been getting. Maybe in the future, as we start running low someone could let me know and I'll order more before we run out. Hang in there, it's on the way!
