**Subject:** Re: Going to Archives II?

I've talked with Roland. He can pull documents for me after all, so I will try and head out there on the 11:00 or noon shuttle. I'll return bearing pamphlets!

I wasn't planning on going out to Archives II today because staff there had told me earlier this week that today was a bad day for them, coverage-wise, and it was suggested that ARRB staff not go out today. If it's OK to go out, and Roland could pull some documents for me, then I'd be willing to. Do you want me to call Roland or someone else out there and confirm whether or not they're willing to have us? If so, any volunteers to pick up JFK Records Collection pamphlets from Rowan (sp?) for our New Orleans press kits?? I spoke with him this morning and he said he could pass 100 pamphlets to someone from our office.
