Subject: Re: Freedom of Information Act Requests on Experts Conference
I sent Jeremy some agenda topics via email but Chet will catch those. Other than my personal notes I have nothing else.

PMSubject: Freedom of Information Act Requests on Experts Conference
As some of you already know, we have received two Freedom of Information Act (FOIA) requests for all ARRB documents regarding the May 16, 1995, Experts Conference. I know that almost everyone who attended the conference took notes. Your personal notes are exempt from the disclosure requirements of the FOIA. However, if you have anything in your files (paper files only -- Chet will be doing a computer search) on the conference in addition to your personal notes, we will need to review it to determine if it is responsive to these requests. Let me know as soon as possible (today) if you think you have any relevant documents. Thanks.
